## Newcrest Mining

15 May 2015

## **Fatality at Telfer**

Newcrest is deeply saddened to confirm that a contractor working in its underground mine at Telfer was fatally injured in an incident this morning.

An investigation is underway and Newcrest will provide assistance to the relevant authorities. Newcrest has temporarily ceased all operational activity on site.

We extend our deepest condolences and support to our colleague's family, friends and the Telfer workforce at this difficult time.
